CHECKLIST OF ITEMS TO ASSEMBLE BEFORE THE HURRICANE

Remember, if you stay in your own home during the hurricane and it was not damaged, you could be without 1) electricity, 2) gas, 3) water and 4) sewer service for several days.

PLAN AHEAD

1. Each person needs a minimum of one gallon of water a day.
2. Obtain a week's supply of nonperishable foods (canned goods – meat, tuna fish, vegetables, baked beans, peanut butter, jelly, soups, boxes of crackers, cereal, bread, etc.)
 - a. Purchase a non-electric can opener.
 - b. Most foods will have to be eaten cold; normal appliances may not work.
 - c. Plan to eat your frozen foods in advance – with no electricity, you have no refrigerator or freezer and items will spoil.
3. Medicines you need for at least a week.
4. Special dietary and baby foods.
5. Personal care items and toilet paper.
6. First aid supplies (bandages, antiseptic solution).
7. Blankets.
8. Candles with matches or lighter.
9. Flashlight with extra batteries.
10. Portable battery operated radio (to listen for important information broadcast during the storm.)
11. Place important papers (wills, living wills, insurance policies and doctors orders) in a secure waterproof container.

12. Have your car ready – check gas, oil and water.
