CODE OF STANDARDS AND CONDUCT

Regarding the award and administration of Grants and Contracts funded through the U.S. Department of Housing and Urban Development (HUD)

No employee, officer or agent of the Authority shall participate in the selection, award or administration of a contract supported by federal funds if a conflict of interest, real or apparent would be involved.

Such a conflict would arise when (i) the employee, officer or agent, (ii) any member of his immediate family, (iii) his or her partner, or (iv) an organization which employs or is about to employ, any of the above, has a financial or other interest in the firm selected for the award.

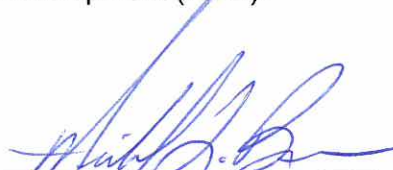

The Authority's employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to agreements subject to HUD funding.

The above Code of Conduct is as set forth pursuant to 24 CFR 85.36.

A violation of this Code of Conduct may subject the employee to disciplinary action, up to and including termination of employment. A copy of this Code shall be provided to each employee upon its adoption and, for new employees, upon the start of his/her employment.

Other Codes of Conduct

This Code is in addition to other requirements relating to the conduct of Authority employees. Authority officers, directors and employees are required to follow the State Regulations relating to the Conduct of Public Officials and Employees. In addition the Authority and its employee are subject to the applicable Conflict of Interest Provisions contained in the Annual Contributions Contract (ACC) with the U.S. Dept. of Housing and Urban Development (HUD).
